Create more (and profitable) business opportunities!

... with Business Wisdom's growth and prosperity partnership for established professional-service firms.

Our unique, customized business-development partnership will:

- Focus your firm on its most interesting and lucrative business offerings
- Provide enhanced value to your existing client base
- Build stronger connections with your network of referral sources
- Attract more prospects and referrals to your door
- Create a superior marketplace image as a progressive, high-value firm

Our program includes working together to design and deliver:

- Powerful interactive vehicles for effective client dialogue
- Practical programs that provide added value to your clients
- A wider and deeper range of profitable service offerings

"Thank you for being a guiding light, helping us to transform our company from a struggling, growing practice to a legacy business."

-Gayle Knight Colman, Managing Partner, Colman Knight Advisory Group

"Harvy is thoughtful and has loads of business insight that can help an entrepreneur focus on the right issues. Our brainstorming sessions have led to great ideas to help promote our business."

-Jim Bourdon, President, Accounting Management Solutions

"Your insight helped me to clarify where I need to focus my professional energy, and gave me the psychological boost that I needed. I am using that wisdom to jump-start the new year."

-Ken O'Quinn, President, Writing With Clarity

"I have met few individuals in the course of my professional life who embody the integrity, sensibility, and keen intelligence of Harvy Simkovits."

-Gordon Leebosh, Managing Partner, Lippman Leebosh April
